Has a chance to keep the winning skein alive today. May have to let go of this horse - trainer hasn't had the best of luck these days. Hard to play this filly today - jockey's winning percentage as of late has been lackluster.

Finished in the back of the pack last time - not a ringing endorsement. Conditioner is on a bit of a cold streak - hard to stand behind. Danele Durham has not recorded strong dividends with this mare.

Tough to wager on this horse after the disappointing stretch run in the last event. She doesn't have the winning spirit, tough for her to get it today. Hard to figure this one winning after finishing near the back last time.

Can't make money without betting high-priced horses - take a chance with such a good power rating. Trainer Genaro Garcia has not had much success with this mare (32 starts, 9% wins). Hard to bet on these non-winning types on the win end.

Keep this filly in your exotics as Luis Saez has been very successful with this horse (9 starts, 44% wins). Trainer Christopher Davis has this filly ready to roll. Good team. Didn't display much fortitude during the stretch drive last time - be cautious with her.

Can't make a habit of betting on horses that rarely win. Recently, this trainer has not produced good dividends when moving horses up in class (31 starts, 0% wins, -100% ROI). Wayne Potts has not recorded strong gains with this colt.

When this jockey and conditioner work together you have to take a look. Tough to bet on this one after the disappointing stretch drive in the last event. His trainer has not done well with horses recently claimed for the first time (-100% ROI).

Have to be leery with horses trained by Allen Milligan right now - on a cold streak. Jockey and trainer haven't had much recent luck together. Could be tough to bet on after that last stretch performance.

May have to pass on this animal - trainer hasn't had the best of luck lately. Tough to play Assael Espinoza right now - not enough scores recently. Investors may be making a precarious move with this jockey given his record working with a 1st time starter (22 starts, 9% wins, -61% ROI).

His trainer has done strong with horses recently claimed for the first time (+19% ROI). Tough to play this horse with this conditioner's lack of recent luck. This horse finished runner-up in a maiden race, but was well ahead of the 3rd horse.

This gelding is in first-rate physical condition right now - ended up well. Risk takers should feel comfortable with this pick given the solid Trainer/Horse record (10 starts, 20% wins). Could be tough to invest in after that last stretch drive.

Very easy victory in that last race. Kim A Puhl has the most competitive numbers in this group of the horses in this race with starters moving up the class ladder (43 starts, 19% wins, +18% ROI). Conditioner hasn't had the best win percent lately - have to pass.

Didn't exhibit much fortitude during the stretch drive last time - be cautious with him. This animal's trainer hasn't been victorious often lately. Tony Rengstorf has very stong numbers with this gelding that point to a very stong contender.

Have to be on the alert for this animal in this race. Luis Saez and Randy L Morse haven't been a winning combination lately. This gelding wilted in the homestretch - not a a positive.

Trainer's recent ROI statistics (+225%) with this filly make a formidable bet. Tough to play this horse with this trainer's lack of recent good fortune. Don't really like the most recent try - in the back of the pack.

Make a wager on this high-priced horse with one of the best power ratings - probable odds will be right. This filly is in superb physical condition right now - finished well. Ramon A Vazquez and Burl D McBride just haven't been clicking together lately.

Could run better than relied upon with such a strong power rating - strong long shot play. Tread lightly - effort just wasn't strong enough last race. Tough to play this horse after the disappointing stretch drive in the last affair.
