Was steady last time out.

Kevin Navarro and David M Rivera haven't been a winning combo recently.

Make this gelding a solid contender - he comes off a nice effort.

This jock and handler have a favorable ROI when they combine forces. This equine's conditioner hasn't been winning often recently. Trainer Donna Bireta has not had much success with this mare (14 starts, 7% wins).

Many positive 'vibrations' attached to this horse and his brain trust. Tired in deep stretch in the last race. His Sire's tools have not done well in their 2yo season (194 starts, 9% wins, -30% ROI).

Most horses make headway in the second start after their first visit to the start. Nice return on investment for this rider and handler duet. Not making a bet on this animal after the last attempt.

Have to wager on him if he goes off at a nice price with such a strong power rating. Didn't finish in the top half of the field last affair - might have to expect more of the same. With a race under his belt, expect an improved performance.

Hard to play this gelding today - rider's winning percent as of late has been lackluster. Trainer hasn't had the best win percentage as of late - have to pass. This rider/trainer combo is off kilter right now - not a high winning percentage together.

When Oscar Gomez and Ralph D'Alessandro work together - the return on investment has been fabulous. Tired in deep stretch in the last race. Don't see him as a sure thing after that last contest.
