In recent times, this jockey has not shown good returns (-70% ROI) with first time entries (81 starts, 9% wins, -70% ROI).

Can't bet on this gelding with his sire's lack of success with first time starters.

Strong return on investment for this jock and handler twosome.

With one outing under his belt, expect an improved performance.

Have to gamble on him if he goes off at good odds with such a strong power rating.

Historically, this trainer has not shown a good ROI (-16%) moving horses from the dirt to the turf.

⚡This jock/trainer twosome has a lucrative return on investment. ⚡Finished in the second half of the pack last time - not a great endorsement. ⚡This is a racer that just doesn't win - can't play him.

This jock/conditioner twosome has a strong return on investment together. No substitute for knowledge gained - watch for an improved performance in the second start. May have to let go of this animal - trainer hasn't had the best of luck lately.

She shows formidable support based on trainer's 2 yr old stats (132 starts, 22% wins, +10% ROI). Feel free to overlook this horse given the poor jockey numbers with 1st time starters (81 starts, 9% wins).

May have to pass on this animal - conditioner hasn't had the best of luck in recent times. The rider and handler duo have a lucrative return on investment when they work together.

⚡Don't skip this entry as the trainer is very good in moving horses up in class (134 starts, 16% wins). ⚡With Horacio Karamanos atop this equine, may have to skip this filly. ⚡Could be right there at the finish based on respectable results of the Dam's foals on the turf (13 starts, 31% wins, +118% ROI).

The public will underestimate her chances; rates well on power rating. Handler is on a losing streak - hard to encourage. This jock/trainer combo is not in sync right now - not a high win percent together.

Have to be leery with entries trained by Cam M Gambolati right now - on a bit of a cold streak. Didn't finish in the top half of the field last affair - might have to expect the same result today. Dam's turf offspring have not produced good gains (25 starts, 8% wins, -43% ROI).

Definitely one of the value plays in this event given the power rating. Tread lightly - try just wasn't strong enough last time out. Didn't exhibit enough heart in the stretch last time.

Always like to make a wager on any horse with a top power rating at a good price. Can't knock the in the money finish in the last race. The combination of Jose E Morelos and Sebastian Pulgarin isn't on track lately.

Don't dismiss the in the money finish last race out. This gelding has not run well under Joseph C Catanese III's training (5% wins). Lately, this jockey just doesn't seem to be able to buy a win.

Didn't finish near the front of the field last race - might have to expect more of the same today. Trainer has had a tough time winning races over the last month. This gelding faltered in the homestretch - not a positive sign.
