Really think this horse is going to be close at the wire. This trainer has done mediocre lately (-100% ROI) with horses claimed. Backed up down the stretch last time out.

Strong price play - the crowd may miss out on this animal, ranked well on power rating. This mare is in nice physical condition - ran strong in last outing. This mare wilted down the lane - not a good omen.

Hasn't scored a victory recently - not worth it on this equine today.			Gamblers may be making a dangerous move with this jockey/horse combination (18 starts, 6% wins).			Tough to figure this animal winning after finishing in the rear last time.

Always love to put some dough on any animal with a top power rating at a good price. Trainer's recent ROI figs (+1%) with this gelding make a quite good bet. This pony coming off a nice race in the last month or so is definitely live.

Like the fact this gelding is back in a race so quickly. Tough to play this equine with this conditioner's lack of recent good luck. Trainer/Horse combination leaves much to be desired (25 starts, 8% wins, -69% ROI).

Juan Manuel Hernandez hasn't been getting victories when putting Oscar Cervantes up aboard. Don't see him as a sure thing after that last race.

Benito Curiel has an exceptional ROI (+9%) with this horse. Jock and trainer haven't had much recent good fortune together. This gelding is in superb condition right now - finished well.

Finished in the second half of the pack last time - not a great endorsement. This animal's trainer hasn't been winning often lately. Hard to play this gelding today - rider's win percent as of late has been lackluster.

Finished in the second half of the pack last time - not a great endorsement. Have to be leery with mounts trained by Mary Boyle right now - on a chilly streak. Trainer Mary Boyle has not had much success with this gelding (14 starts, 7% wins).

Can't win big without betting price horses - worth a shot with such a good power rating. Don't really like the recent undertaking - in the back of the pack. This runner hasn't won in his last ten attempts - he's probably not worth the value today.

⚠️Don't miss a chance with this this gelding in your plays as Emilio Guerrero knows how to get this horse ready. ⚠️Tread lightly - try just wasn't really enough last race. ⚠️Have to be concerned about any equine that has added front wraps in the last contest.

🐾 This gelding is back soon - sprint horses that come back quickly are generally good plays. 🐾 This less than sharp equine didn't finish near the front of the field last race out. 🐾 Adrian Castellanos and Hilario Perez haven't been a strong team lately.

👤 Jose Elias Rodriguez and Rigoberto Velasquez haven't been a winning team lately. 🏁 Finished in the back of the pack last time - not a great sign. 🐾 With the impressive Jockey/Horse combo (6 starts, 33% wins) wagers should feel comfortable with this choice.

This rider/handler combo is cold right now - not a high win percent together. This mare is in superb physical condition right now - ended up well. This mare is back soon - sprint horses that come back quickly are generally good plays.

This mare should go off at a nice price and has a strong power rating. The rider and trainer duo have a positive ROI when they work together. Don't really like the recent effort - in the back of the pack.
