⚡Clearly one of the good value plays in this contest given the power rating. ⚡Tough to play this horse with this conditioner's lack of recent good fortune. ⚡Hasn't scored a victory recently - not worth it on this animal today.

Front wraps were added in the last race - doesn't bode well for today's event. This gelding faded in the stretch - not a positive sign. Don't see him as a sure thing after that last clash.

Strong return on investment for this jock and handler twosome. Can't believe the in the money finish last time out. The stretch try in the last race leaves much to be desired.

This trainer has produced respectable returns (20 starts, +9% ROI) when trying a lower class level. Didn't exhibit enough fighting spirit in deep stretch last time. Tough to figure this one winning after finishing near the back last time.

⚡ Didn't display much courage during the stretch drive last time - be cautious with her. ⚡ Not part of the top half of the field last time around the track. ⚡ Tough to play this equine with this trainer's lack of recent good luck.

The attractive odds make this one a nice play with such a strong power rating. Hard to play any animal that can't even get it done one time in her last ten races.
