You shouldn't pass on this mare in your prime bets; very dangerous with Andrew R Ramgeet aboard (15 starts, 20% wins). Tough to play this mare today - trainer on a down cycle recently. Last event doesn't encourage much faith.

Alejandro Gomez and Jami C Poole just haven't clicked together recently. Jami C Poole does not have the best figures in this group with starters moving down the class ladder (56 starts, 9% wins, -63% ROI). Nice race last time, but the fact that there are no workouts since has to make one leery.

Last win was a romp. Recently, this trainer has produced sound gains for investors with horses moving up in class (36 starts, 17% wins, +4% ROI). Should make this mare a serious competitor - she comes off a good outing.

Good power rating - probable odds underestimate this mare's possibilities - looks like an overlay. Didn't finish in the top half of the field last race - might have to expect the same result today.

With the impressive Jockey/Horse combo (9 starts, 22% wins) players should feel comfortable with this choice. Didn't show enough mettle in the lane last time. Kyle Gilbert and Jennifer A Johnson just haven't clicked together recently.

John Fennessy has not gotten the best out of this filly (9 starts, 0% wins). Tough to wager on this one after the disappointing stretch drive in the last race. This rider/conditioner tandem has a strong ROI together.

May have to let go of this animal - jockey hasn't had the best of luck recently. The combination of Kyle Gilbert and Julia Gilbert isn't on track recently. Could be tough to bet on after that last stretch drive.

Good power rating - probable odds underestimate this gelding's possibilities - definitely a potential price. Have to love that recent contest where he ran strong.

Brandon Tapara should put some money in your pocket with this animal and his power rating. Tough to play this horse with this handler's lack of recent good luck. Rider and conditioner haven't had much recent good fortune together.

Trainer's recent ROI data (+9%) with this gelding make a decent bet. Have to make this gelding a serious competitor - he comes off a sharp outing. This rider/handler duo has been producing a very profitable ROI.

⚡Lately, this jock and conditioner haven't been winning when they join forces. ⚡This mount will have a tough go today - he just doesn't win very often. ⚡Tread lightly - effort just wasn't good enough last out.

⚡This jock/conditioner duet has a strong return on investment together. ⚡Don't really like the most recent venture - in the back of the pack. ⚡Looked like he was in good form last outing - hasn't been near the track since then though.
