Good power rating - probable odds underestimate this filly's possibilities - nice price potential. May have to let go of this horse - conditioner hasn't had the best of luck in recent times. Jerry Antonuik hasn't been winning when putting Gabriel Saez aboard a horse.

This trainer has horses that have consistently produced decent board hit percentages when moving down in class (38% wins). Don't see him as a sure thing after that last contest. Lately, this jockey and trainer haven't been winning when they join forces.

When Amir Mendoza and Cipriano Contreras are put together - the ROI has been wonderful. Not in the top half of the field in the last race. This horse hasn't won in his last ten tries - he's probably not worth the value today.

Make this gelding a serious competitor - he comes off a sharp effort. Tread lightly with this horse - connections have been off kilter when teaming up. Was playable last time.

Dam's turf offspring have given solid gains (27 starts, 30% wins, +39% ROI). Don't miss a chance with this this gelding in your propositions as Larry Rivelli knows how to get this horse ready. Didn't finish near the top of the field last event - might have to expect more of the same today.

This fine animal should be thundering down the stretch. Tough to play this gelding today - conditioner on a down cycle recently. Trainer/Horse combination leaves much to be desired (14 starts, 7% wins, -38% ROI).

☞ Surely one of the overlays in this event given the power rating. ☞ John Alexander Ortiz hasn't been getting victories when putting Axel Concepcion in the saddle. ☞ Don't see him as a sure thing after that last clash.

Have to love that most recent contest where he ended up strong. He doesn't have the winning attitude, tough for him to obtain it today. Turf starters out of this Dam have not shown good dividends (18 starts, 6% wins, -78% ROI).
