| Expect this mount to stun some railbirds in today's event. Hasn't scored a victory recently - not worth it on this horse today. Didn't display much intestinal fortitude during the stretch drive last time - be cautious with him. |  |                                                                                                                                                                                         |  |                                                     |  |                                       |  |                                                                                     |  |

Wagerers may be making a precarious move with this jockey working with 2 year olds (107 starts, 7% wins). Feel free to miss a chance with this this entry given the poor jockey numbers with 1st time starters (53 starts, 8% wins). Fits in well here based on Robertino Diodoro's very solid results with 2 year olds of late (35 starts, 23% wins, +18% ROI).

Two year olds for this jockey have not produced some of the best profits (7% wins, -4% ROI) in this group of animals. This is a maiden race - has a shot to be first to the finish line based on breeding alone.

Trainer figs (18 starts, 6% wins) with 2yolds tough to get excited about. You shouldn't skip by this entry given the Dam's solid record with turf starters (34 starts, 24% wins). Rider and trainer haven't had much recent good fortune together.

Always like to put some dough on any racer with a top power rating at a good price. Don't really like the recent effort - in the back of the pack. Faded in the homestretch last race out - may do more of the same.

This mount ran a nice one last time. The lack of drills is troubling despite the nice performance in the last contest. Michael A Tomlinson has not recorded strong returns with this gelding.

⚡Finished in the rear of the field last time - not a ringing endorsement. ⚡The stretch try in the last event leaves much up in the air. ⚡Hard to play this colt today - rider's winning percent lately has been lackluster.

⚡Trainer Darrin Miller has not had much success with this colt (7 starts, 0% wins). ⚡May have to skip this one - trainer hasn't had the best of luck over the last month. ⚡Didn't finish near the top of the field last affair - might have to expect more of the same today.

Definitely a value bet with such a good power rating - should payoff big. David Jacobson hasn't been getting wins when putting Yedsit Hazlewood up aboard. Don't dismiss the in the money finish last time around the track.

J Kent Sweezey has not done well over the last month with freshened horses (8% wins). Not in the top half of the field last time out. This gelding faltered down the stretch - not a positive signal.

When this jock and trainer team up you have to take a look. Sire's turf offspring have been poor (344 starts, 8% wins, -25% ROI). Don't really like the latest venture - in the back of the pack.

Her trainer has not done well (51 starts, 6% wins) with entries going to the post for the 1st time. Wagerers may be making a precarious move with this jockey given his record working with a first time starter (37 starts, 8% wins, -34% ROI). Nice return on investment for this rider and handler twosome.

This jockey/conditioner combo is off kilter right now - not a high winning percent together. Have to be leery with mounts trained by Helen Pitts right now - on a losing streak. Didn't display much intestinal fortitude during the stretch run last time - be cautious with her.

Tired down the lane last time out. Finished in the second half of the field last time - not a great endorsement. This Dam's foals have not produced solid board hit percentages when racing on the grass (13 starts, 8% wins, -65% ROI).

This less than stellar equine didn't finish in the top half of the field last time out. No substitute for education - watch for an improved performance in the second start. Could be tough to wager on after that last stretch effort.

Could be tough to play after that last stretch performance. Trainer/Horse combination leaves much to be desired (9 starts, 0% wins, -100% ROI). Not in the top half of the field last out.

Can't make the big dough without betting big odds - take a chance with such a good power rating. Lost ground in the homestretch in the last event. Tread lightly - stretch effort just wasn't nearly good enough last time.
