Wagerers may be making a precarious move with this jockey working with 2 year olds (107 starts, 7% wins). Feel free to miss a chance with this this entry given the poor jockey numbers with 1st time starters (53 starts, 8% wins). Fits in well here based on Robertino Diodoro's very solid results with 2 year olds of late (35 starts, 23% wins, +18% ROI).

Conditioner has had an awful time winning races lately.

Always like to put some dough on any racer with a top power rating at a good price. Don't really like the recent effort - in the back of the pack. Faded in the homestretch last race out - may do more of the same.

Landed in the top three in the last event. Should run better than relied upon with such a strong power rating - strong price potential. The combination of Rafael Bejarano and Matthew P Sims isn't on track recently.

Her trainer has not done well (51 starts, 6% wins) with entries going to the post for the 1st time. Wagerers may be making a precarious move with this jockey given his record working with a first time starter (37 starts, 8% wins, -34% ROI). Nice return on investment for this rider and handler twosome.

⚠️This jockey/conditioner combo is off kilter right now - not a high winning percent together. ⚠️Have to be leery with mounts trained by Helen Pitts right now - on a losing streak. ⚠️Didn't display much intestinal fortitude during the stretch run last time - be cautious with her.

⚡This less than stellar equine didn't finish in the top half of the field last time out. ⚡No substitute for education - watch for an improved performance in the second start. ⚡Could be tough to wager on after that last stretch effort.
