⚠️Didn't finish in the top half of the field last race - might have to expect the same. ⚠️The stretch performance in the last affair leaves much unanswered. ⚠️May have to pass on this one - jockey hasn't had the best of luck of late.

This horse coming off a solid performance in the last month or so is definitely live. Fits well here based on Jerry Gourneau's very solid results with horses claimed of late. When E Valdez-Jiminez and Jerry Gourneau join forces - the ROI has been fantastic.

The crowd could miscalculate her chances; rates well on power rating. Was out of the top half of the field last out. Have to be leery with horses trained by Danele Durham right now - on a cold streak.

This pony hasn't won in her last ten tries - she's probably not worth the value today. This mare has not run well under Danele Durham 's training (8% wins). Faded down the stretch in the last race - may do the same thing.

Expect this fine animal to shock some fans this time. The stretch performance in the last event leaves much to be desired. Last race doesn't encourage much confidence.

This fine animal should be rocking and rolling down the homestretch. Tread lightly - effort just wasn't really enough last time out. Hard to play any animal that cannot even get it done one time in her last ten races.

A good performance last time out. Have to love that latest race where she ended up strong. Have to be a little shy about any equine that has added bandages in the last affair.
