The maturity gained from his initial start should prove valuable today. This colt's jockey hasn't been getting many victories over the last month. Tough to wager on this horse after the disappointing stretch run in the last affair.

The rider and trainer duo have a profitable ROI when they partner up. This horse has no victories in her last ten races. Handler has had difficulty winning races within the recent past.

This filly should be a good price and has a strong power rating. Tough to figure this animal winning after finishing in the back last time. Have to be leery with mounts trained by Donald T Blankenship right now - on a losing streak.

Her trainer has done quite well with horses dropping down the class ladder (25 starts, 28% wins, +6% ROI). When Yuri Yaranga and Jeff Fletcher combine forces - the ROI has been wonderful. Tread lightly - stretch effort just wasn't enough last time.

Deshawn L Parker should put some money in your pocket with this horse and his power rating. Israel Acevedo has not recorded strong gains with this filly. Could be tough to play after that last stretch drive.

Keep this filly in your exotics as Kevin Fletcher has been very successful with this horse (9 starts, 33% wins). Lost ground in the homestretch in the last race. This rider/conditioner combo is off kilter right now - not a high win percent together.

Tread lightly with this horse - connections have been a bit cold when teaming up. On a nice winning skein - can finish first again in today's event. Have to be worried that this questionable contender added wraps in the last race.

Last win was a laugh. Caution must be used since front wraps were a new feature last outing. Give this filly a shot - ran a nice race last time around the track within a month.

Not in the top half of the field last out. May have to let go of this horse - conditioner hasn't had the best of luck over the last month. Sprinters that come back to the races quickly are generally good paces.

The combination of Renzo Diaz and Carlos A Lopez isn't on track recently. Jockey hasn't had the greatest winning percentage as of late - may have to give a pass. Not making a bet on this one after the last effort.
