Was steady last race. Last race was good, but the lack of any recent activity raises some concerns. Tough to bet on a campaigner that loses so frequently.

Conditioner hasn't had the highest win percentage lately - have to take a pass. Can't make a habit of betting on ponies that rarely win. Recently, this jockey and handler haven't been winning when they team up.

Good power rating - morning line odds underestimate this gelding's chances - strong price potential. Tough to bet on a campaigner that loses so frequently. Michelle Winters does not have the best figs in this group of contenders with starters moving down the class ladder (38 starts, 5% wins, -63% ROI).

Last time this gelding was in the money. Didn't exhibit much courage during the stretch run last time - be cautious with him. An able animal that's been going good, but he's been missing in the mornings recently.

⚡ Luis Alberto Batista should put some nice dollars in your pocket with this equine and his power rating. 🏃 Lost ground in the homestretch in the last affair. 🐾 Don't really like the last venture - in the back of the pack.

Put forth a strong effort in the last event. This horse coming off a nice race in the last month or so is definitely live. Take a risk on this one with one of the best power ratings - probable odds will be right.

This gelding faltered down the homestretch - not a good omen. Handler hasn't had the greatest win percent as of late - have to skip. This less than stellar equine didn't finish near the top of the field last time out.

Rey Juarez-Mendoza has not recorded strong gains with this gelding. Tough to play this horse with this trainer's lack of recent good fortune. Was on the board last time out.

Finished in the back last time - not a promising effort. Recently, this trainer has not produced good gains when moving horses up in class (24 starts, 0% wins, -100% ROI). Didn't display enough fighting spirit in deep stretch last time.

Trainer has not produced the best results in this group of the horses in this race with horses moving up in class (29 starts, 7% wins, -62% ROI). Have to be leery with horses trained by Rey Juarez-Mendoza right now - on a bit of a cold streak. Didn't exhibit much courage during the stretch drive last time - be cautious with him.

Last race doesn't restore much faith. Tough to wager on this one after the disappointing stretch drive in the last race. This rider is on a losing streak.

Tread lightly - effort just wasn't good enough last time. This jock/conditioner duo has been producing a very profitable ROI. This horse's trainer hasn't been getting victories often lately.

Finished in the back half of the field last time - not a ringing endorsement. Kevin Gonzalez and Jami C Poole haven't been a winning combo lately. May have to pass on this animal - trainer hasn't had the best of luck lately.

Keep this gelding in your exotics as Mikhail Carmichael has been very successful with this horse (6 starts, 17% wins). Caution must be used since front wraps were used last outing. This gelding is in nice physical condition, having run a strong race last time out.

Can't belittle the in the money finish in the last race. Has a high power rating and should go off at playable odds - take a stab. Nice race last time, but the fact that there are no workouts since has to make one leery.

Hard to play any horse that cannot even prove victorious one time in her last ten races. Tough to figure this animal winning after finishing in the back of the pack last time. Have to be worried that this horse added front wraps last time out.

Didn't exhibit much intestinal fortitude during the stretch drive last time - be cautious with her. Finished in the back last time - not a terrific sign. This mare runs very well under Robert M Gorham's training.

With the impressive Jockey/Horse combo (16 starts, 31% wins) players should feel comfortable with this choice. Bettors beware of this trainer when dropping horses in class (39 starts, 21% wins). Don't see her as a sure thing after that last race.

Her trainer has done quite well with horses dropping down the class ladder (22 starts, 27% wins, +5% ROI). Ended up in the top three in the last event. Last race was good, but the lack of any recent activity raises some concerns.

⚠️Difficult to figure this horse winning after finishing in the back last time. ⚠️The stretch display in the last event leaves much to be desired. ⚠️Gary L. Johnson hasn't been getting wins when putting Deshawn L Parker on a horse.

Didn't finish near the top of the field last event - might have to expect the same. Richard Zielinski isn't on a hot streak as of late. Could be tough to wager on after that last stretch performance.

The knowledge gained from his initial outing should prove valuable in today's race. ⚠️Don't display much courage during the stretch drive last time - be cautious with him. ⚡️In the money last time out.

May have to pass on this animal - conditioner hasn't had the best of luck these days. ⚠️This horse really isn't bred to win first time out.
