Has a chance to keep the winning skein alive today. May have to let go of this horse - trainer hasn't had the best of luck these days. Hard to play this filly today - jockey's winning percentage as of late has been lackluster.

When this jock and conditioner combine forces you have to take a look. This mare runs competently under W Bret Calhoun's training. Didn't finish near the front of the field last event - might have to expect the same today.

The public will think too lightly of her chances; rates well on power rating. Jockey doesn't have the best winning percent in recent times. This mare faded down the stretch - not a good omen.

⚡Tough to wager on this horse after the disappointing stretch run in the last event. ⚡She doesn't have the winning spirit, tough for her to get it today. ⚡Hard to figure this one winning after finishing near the back last time.

Can't make a habit of betting on horses that rarely win. This jock/handler duo has been producing a very beneficial ROI. This jock is on a cold streak.

Can't make money without betting high-priced horses - take a chance with such a good power rating. Trainer Genaro Garcia has not had much success with this mare (32 starts, 9% wins). Hard to bet on these non-winning types on the win end.

Keep this filly in your exotics as Luis Saez has been very successful with this horse (9 starts, 44% wins). Trainer Christopher Davis has this filly ready to roll. Good team. Didn't display much fortitude during the stretch drive last time - be cautious with her.

Can't make a habit of betting on horses that rarely win. Recently, this trainer has not produced good dividends when moving horses up in class (31 starts, 0% wins, -100% ROI). Wayne Potts has not recorded strong gains with this colt.

⚡When this jockey and conditioner work together you have to take a look. ⚡Tough to bet on this one after the disappointing stretch drive in the last event. ⚡His trainer has not done well with horses recently claimed for the first time (-100% ROI).

Have to be leery with horses trained by Allen Milligan right now - on a cold streak. Jockey and trainer haven't had much recent luck together. Could be tough to bet on after that last stretch performance.

Christopher Elliott and Genaro Garcia perform well when they combine forces - strong ROI together. This pony didn't finish in the top half of the field last time out.

🐾This magnificent animal ran a nice one last time. 🐾This jockey/handler combo is cold right now - not a high win percentage together. 🐾The stretch try in the last affair leaves much to be desired.

🐾May have to pass on this animal - trainer hasn't had the best of luck lately. 🐾Tough to play Assael Espinoza right now - not enough scores recently. 🐾Investors may be making a precarious move with this jockey given his record working with a 1st time starter (22 starts, 9% wins, -61% ROI).

His trainer has done strong with horses recently claimed for the first time (+19% ROI). Tough to play this horse with this conditioner's lack of recent luck. This horse finished runner-up in a maiden race, but was well ahead of the 3rd horse.

Jock and conditioner haven't had much recent good luck together. This magnificent animal ran a nice one last time out.

This gelding is in first-rate physical condition right now - ended up well. Risk takers should feel comfortable with this pick given the solid Trainer/Horse record (10 starts, 20% wins). Could be tough to invest in after that last stretch drive.

⚡Didn't exhibit much fortitude during the stretch drive last time - be cautious with him.

🐾This animal's trainer hasn't been victorious often lately.

🐾Tony Rengstorf has very stong numbers with this gelding that point to a very stong confender.

Recently, this trainer has not produced good gains when moving horses up in class (38 starts, 8% wins, -16% ROI). This jockey and handler's equines have been generating a profitable return on investment. Hard to figure this horse winning after finishing in the back of the pack last time.
