John D Hammes can make a nice score with this horse. Nice power rating. Landed in the top three in the last race. Looked like he was in good form last outing - hasn't been near the track since then though.

Just not a great bet - handler not winning many races over the last month. Hard to play this filly today - rider's win percent as of late has been lackluster. Luis Luna Ramirez and G Martinez-Linares just haven't been victorious together recently.

Difficult to figure this one winning after finishing in the back last time. Tough to play this horse with this conditioner's lack of recent success. This steed hasn't won in his last ten chances - he's probably not worth the value today.

The combination of Alberto Pusac and Jr Larry D Donlin isn't on track lately. Tough to figure this horse winning after finishing near the back last time. This mount hasn't won in his last ten races - he's probably not worth the value today.

Handler has had a tough time winning races of late. This jock/conditioner combo is not in sync right now - not a high win percent together. Don't really like the latest try - in the back of the pack.

Risk takers beware of this trainer when dropping horses in class (27 starts, 26% wins). Wilted in the stretch last race out - may do it again today. Finished in the rear of the field last time - not a great sign.

Lost ground in the stretch in the last race. Don't see her as a sure thing after that last event. Recently, this trainer has not produced good dividends for risk takers with horses moving down in class.

Class droppers out of this trainer's barn have produced some of the most competitive returns in this group of contenders (+27% ROI). Has a high power rating and should go off at playable odds - worth a shot. The stretch display in the last affair leaves much to be desired.

When Ronnie Huckaby and Travis Swan Murphy work together - the ROI has been wonderful. Last race doesn't inspire much confidence. Risk takers should feel comfortable with this selection given the solid Trainer/Horse record (14 starts, 21% wins).
