Have to be worried that this racer added front wraps last time out. Faded in the homestretch last out - may do the same thing today. Trainer hasn't had the top win percent recently - have to skip.

Mark this filly a serious competitor - she comes off a strong outing. The combination of Jose Mariano Asencio and Jennifer Nunnally isn't on track lately. This filly runs sharply under Jennifer Nunnally's training.

This animal hasn't had even one morning drill after running so well last time out. This questionable contender didn't finish in the top half of the field last out. The addition of wraps last time around the track is usually a sign of waning form.

Daniel P Vergara and Kimberley Johnston haven't been an inspiring combo lately. This questionable contender didn't finish near the top of the field last out. Could be tough to bet on after that last stretch drive.

Trainer has had trouble winning races in recent times. Colleen O'Hagan hasn't been winning when putting Kiaman McGregor in the saddle. Didn't finish in the top half of the field last affair - might have to expect similar results.

Do not overlook this horse, trainer has done well moving a horse from a sprint to a route race (21 starts, 24% wins). Class droppers out of this trainer's barn have not produced the best dividends in this group of contenders (24 starts, 8% wins, -81% ROI). This entrant didn't finish near the top of the field last time out.

With the impressive Jockey/Horse combo (10 starts, 40% wins) risk takers should feel comfortable with this selection. This jockey/handler combo is off kilter right now - not a high win percentage together.

Jockey/Horse combination hasn't shown much (6 starts, 0% wins, -100% ROI). Last event was a tightener. Can't make a habit of betting on ponies that rarely win.

Surprise package - the chalk players may miss out on this horse, ranked well on power rating. Recently, this jock and handler haven't been winning when they join forces. Faltered in the lane last time around the track - may do the same thing.

Just not worth betting - conditioner not winning many races within the recent past. This mount ran a nice one last out. Kiaman McGregor's ROI with this horse (+64% ROI) automatically make them a strong contender.

This racer coming off a good contest in the last thirty days is definitely live. Tough to bet on a racer that loses so frequently. Recently, this jock and handler haven't been winning when they get together.

⚡ Kiaman McGregor and Ryan Bratcher perform well when they are put together - strong ROI together. ⚡ This mare is in nice form, having run a strong race last time out. ⚡ Hasn't scored a victory recently - not worth it on this horse today.

⚡ Have some doubts when any equine has front wraps added in the last race. ⚡ This is a pony that just doesn't win - can't play her. ⚡ Tough to play this horse after the disappointing stretch run in the last race.

This sprinter is back in a race quickly after her last outing - means she's fit. Lost ground down the homestretch in the last event. This pony hasn't won in her last ten attempts - she's probably not worth the value today.

Finished in the rear of the field last time - not a great sign. Back peddled in the stretch in the last race. Doug A Carlson brings this filly back into a race quickly rather than a workout - fit and ready.

With Cash Ramey aboard this horse, may have to pass on this mare. Didn't finish near the front of the field last race - might have to expect similar results. Didn't show much courage during the stretch drive last time - be cautious with her.
