Trainer is on a chilly streak - hard to support. Didn't finish near the top of the field last race - might have to expect the same result. This pony hasn't won in his last ten tries - he's probably not worth the value today.

Mark this filly a serious competitor - she comes off a strong outing. The combination of Jose Mariano Asencio and Jennifer Nunnally isn't on track lately. This filly runs sharply under Jennifer Nunnally's training.

This animal hasn't had even one morning drill after running so well last time out. This questionable contender didn't finish in the top half of the field last out. The addition of wraps last time around the track is usually a sign of waning form.

Trainer has had trouble winning races in recent times. Colleen O'Hagan hasn't been winning when putting Kiaman McGregor in the saddle. Didn't finish in the top half of the field last affair - might have to expect similar results.

The stretch try in the last race leaves much to be desired. Don't see her as a sure thing after that last dash. Form is somewhat in question after the addition of front wraps in the last race.

This filly has not run well under Bruce Dillenbeck's training (0% wins). This horse's handler hasn't been getting victories often recently. Hard to figure this one winning after finishing near the back last time.

With the impressive Jockey/Horse combo (10 starts, 40% wins) risk takers should feel comfortable with this selection. This jockey/handler combo is off kilter right now - not a high win percentage together.

Rider hasn't had the best winning percent recently - may have to take a pass. Tread lightly - attempt just wasn't nearly good enough last time out. The combination of Sachin Parris and Sherri Leanne Laing isn't on track lately.

Surprise package - the chalk players may miss out on this horse, ranked well on power rating. Recently, this jock and handler haven't been winning when they join forces. Faltered in the lane last time around the track - may do the same thing.

Just not worth betting - conditioner not winning many races within the recent past. This mount ran a nice one last out. Kiaman McGregor's ROI with this horse (+64% ROI) automatically make them a strong contender.

This racer coming off a good contest in the last thirty days is definitely live. Tough to bet on a racer that loses so frequently. Recently, this jock and handler haven't been winning when they get together.
