Last out this fine animal put forth a strong outing. Most ponies improve second time out after their first track experience. Have to make this gelding a contender - he comes off a sharp race.

Have to bet on her if she goes off at high odds with such a strong power rating. Out of the top half of the field last time around the track. Recently, this trainer has not produced good gains when moving horses up in class (25 starts, 4% wins, -94% ROI).

Finished in the back of the pack last time - not a great sign. Tough to bet on this one after the disappointing stretch run in the last affair. The rider and handler duo have a favorable return on investment when they partner up.

Don't really like the most recent attempt - in the back of the pack. Didn't display much courage during the stretch run last time - be cautious with her. With Lindsey Hebert riding this equine, may have to let go of this mare.

This filly should give a strong account of herself in today's event. Tough to figure this one winning after finishing at the back last time. The stretch performance in the last affair leaves much to be wished for.

Jesus Munoz Escobedo hasn't been winning when putting Roman Cruz on a horse. Trainer hasn't had the top winning percentage as of late - have to take a pass. Wilded down the homestretch last out - may do the same thing.

Tough to play this animal with this trainer's lack of recent luck. Tough to figure this animal winning after finishing near the back of the pack last time. Horses off the layoff from this trainer's barn have not produced the best dividends in this group of the horses in this race (40 starts, -79% ROI).

☞Definitely one of the good value plays in this contest given the power rating. ☞Tough to figure this horse winning after finishing near the back of the pack last time. ☞Trainer/Horse combination leaves much to be desired (6 starts, 0% wins, -100% ROI).

This mare runs soundly under James Victor Hale 's training. Didn't finish near the front of the field last race - might have to expect more of the same. Conditioner has had a hard time winning races over the last month.

Didn't show much fortitude during the stretch run last time - be cautious with him. Roman Cruz and Jesus Munoz Escobedo haven't been a strong team recently. May have to pass on this horse - trainer hasn't had the best of luck over the last month.

Difficult to figure this one winning after finishing at the back of the pack last time. 🐾 The jock and conditioner duo have a positive return on investment when they combine forces. 🐾 Gamblers should feel comfortable with this choice given the solid Trainer/Horse record (9 starts, 33% wins).

This jock and trainer have a lucrative ROI when they are put together. This racer didn't finish near the top of the field last out. Curtis Kimes has solid numbers with this mare that point to a sharp contender.

⚡Don't see her as a sure thing after that last dash. ⚡Could be tough to invest in after that last stretch drive. ⚡This horse hasn't won in her last ten tries - she's probably not worth the value today.

⚠️ Brent Davidson has not been among the best trainers with freshened horses. ⚠️ The combination of Angel Ortega Stanley and M Brent Davidson isn't on track recently. ⚠️ Didn't finish near the front of the field last race - might have to expect the same result today.
