Last out this fine animal put forth a strong outing. Most ponies improve second time out after their first track experience. Have to make this gelding a contender - he comes off a sharp race.

Lots of positive 'vibes' joined to this campaigner and his barn. Conditioner has had a hard time winning races over the last month.

This jock/handler tandem has a strong ROI together. With an initial effort under his belt, expect an improved performance. Not in the top half of the field in the last race.

⚡This filly should give a strong account of herself in today's event. ⚡Tough to figure this one winning after finishing at the back last time. ⚡The stretch performance in the last affair leaves much to be wished for.

⚡Jesus Munoz Escobedo hasn't been winning when putting Roman Cruz on a horse. ⚡Trainer hasn't had the top winning percentage as of late - have to take a pass. ⚡Wilded down the homestretch last out - may do the same thing.

Tough to play this animal with this trainer's lack of recent luck. Tough to figure this animal winning after finishing near the back of the pack last time. Horses off the layoff from this trainer's barn have not produced the best dividends in this group of the horses in this race (40 starts, -79% ROI).

Really have to believe this horse is going to be close at the wire. Don't see her as a sure thing after that last contest. Recently, this jock and conditioner haven't been winning when they combine forces.

Really have to believe this mount is going to be in the money near the finish line. Boyd Caster isn't on a winning streak as of late. Could be tough to bet on after that last stretch effort.

Hasn't scored a victory recently - not worth it on this equine today. James Victor Hale isn't on a real win streak lately. Tough to bet on Travis Cunningham right now - not enough scores recently.

Trainer Jeff Schindler has this gelding ready to roll. Good team. Tread lightly - effort just wasn't nearly good enough last time. Has a high power rating and should go off at a playable price - worth a shot.

⚡Didn't show much intestinal fortitude during the stretch run last time - be cautious with him. ⚡Obed Sanchez and Mark W Anderson haven't been a winning combination lately. ⚡Was out of the top half of the field last time around the track.

⚡Bet on this angle - coming back off a good race within the last thirty days. ⚡Tread lightly with this one - connections have been not in sync when teaming up. ⚡Hard to play any animal that can't even get it done one time in her last ten races.

⚡Can't make money without betting big odds - worth a chance with such a good power rating. ⚡The stretch effort in the last event leaves much up in the air. ⚡Tough to bet on Obed Sanchez right now - not enough wins recently.

Was out of the top half of the field in the last race. With Larren Delorme riding this equine, may have to skip this filly. Steed added wraps in her last contest - not a good sign.

Finished in the second half of the pack last time - not a terrific sign. With Travis Cunningham riding this horse, may have to skip this mare. Mark W Buehrer has not gotten the best out of this mare (13 starts, 8% wins).

🐾Difficult to figure this one winning after finishing at the back of the pack last time. 🐾The jock and conditioner duo have a positive return on investment when they combine forces. 🐾Gamblers should feel comfortable with this choice given the solid Trainer/Horse record (9 starts, 33% wins).

Keep this mare in your exotics as Tristan Ashford has been very successful with this horse (11 starts, 27% wins). Last affair was a solid effort. A horse coming back this quickly after a solid contest is a good signal.

This jock and trainer have a lucrative ROI when they are put together. This racer didn't finish near the top of the field last out. Curtis Kimes has solid numbers with this mare that point to a sharp contender.

⚠️Don't see her as a sure thing after that last dash. ⚠️Could be tough to invest in after that last stretch drive. ⚠️This horse hasn't won in her last ten tries - she's probably not worth the value today.

This jockey/trainer combo is a bit cold right now - not a high win percentage together. Folded in the home stretch last out. Didn't finish near the front of the field last event - might have to expect the same today.

Have to watch out for this mount in this clash. Went backward down the homestretch last out. Tough to play this horse with this conditioner's lack of recent good fortune.

Have to be leery with horses trained by John T Brown right now - on a bit of a cold streak.

Shins may have some problems since they added front bandages in the last event.

Last event doesn't inspire much confidence.

Give this filly a chance - ran a good outing last race out within a month.

This race horse ran a nice one last out.

Didn't display much fortitude during the stretch run last time - be cautious with her.
