May have to let go of this horse - jock hasn't had the best of luck recently. Trainer Boyd Caster has not had much success with this gelding (7 starts, 0% wins). This rider and conditioner have a lucrative ROI when they partner up.

Trainer has had trouble winning races within the recent past. This jockey/handler combo is not in sync right now - not a high winning percentage together. Last event doesn't bolster much faith.

Have to like that the most recent effort where he ended up strong. Ended up in the top three in the last affair. This gelding has not run well under Jody Pruitt's training (0% wins).

Leandro D Goncalves and Boyd Caster just haven't been clicking together recently. This gelding faded down the homestretch - not a good sign. Just not worth it - handler not winning many races in recent times.

⚡Can't win big without betting high-priced horses - worth a stab with such a good power rating. 🐾Finished in the back of the pack last time - not a great sign. 🐾He doesn't have the winning make-up, tough for him to obtain it today.

Trainer/Horse combination leaves much to be desired (23 starts, 9% wins, -16% ROI). Have to be leery with mounts trained by Boyd Caster right now - on a losing streak. Good return on investment for this jock and trainer twosome.

⚠️Tread lightly - attempt just wasn't enough last race. ⚠️James Victor Hale isn't on a real win streak right now. ⚠️Tough to bet on this horse after the disappointing stretch drive in the last affair.

Sprinters that come back to the races quickly are generally good plays. This gelding is in first-rate physical condition right now - ended up well. Tough to play this horse with this conditioner's lack of recent luck.

The combination of Travis Cunningham and Jerry Donaldson isn't on track lately. Sire's offspring have not shown good dividends in their debut (116 starts, 9% wins, -56% ROI). Handler is on a cold streak - hard to encourage.

The combination of Ezequiel Lara and Juan Padilla isn't on track lately. This steed didn't finish in the top half of the field last time out. Runner added front bandages in his last affair - not a good sign.

⚠️ Didn't finish near the front of the field last event - might have to expect the same result. ⚠️ Tired in deep stretch last time around the track. ⚠️ Scott Corderman has produced entries that have consistently produced solid percentages (23 starts, 35% wins) in their first outing going long.

⚠️ This filly wilted in the stretch - not a good sign. ⚠️ This less than sharp equine didn't finish near the top of the field last time out. ⚠️ Conditioner is on a losing streak - hard to stand behind.

Finished in the back last time - not a ringing endorsement. Trainer has not produced the best results in this group of the horses in this race with horses moving up in class (80 starts, 6% wins, -37% ROI).

Conditioner hasn't had the top winning percent recently - have to pass up.

Could be tough to invest in after that last stretch performance. Was on the board last time out. This horse coming off a good contest in the last thirty days is definitely live.

Clearly one of the value wagers in this class given the power rating. This racer didn't finish near the top of the field in the last race. Didn't show much courage during the stretch drive last time - be cautious with her.
