Strong price play - the crowd may miss out on this animal, ranked well on power rating. This mare is in nice physical condition - ran strong in last outing. This mare wilted down the lane - not a good omen.

Always love to put some dough on any animal with a top power rating at a good price. Trainer's recent ROI figs (+1%) with this gelding make a quite good bet. This pony coming off a nice race in the last month or so is definitely live.

👉 That last effort must not have been hard on this mare for her to come back quickly. 🐾 Trainer Mario Portillo has not had much success with this mare (7 starts, 0% wins). 🐾 May have to let go of this animal - handler hasn't had the best of luck of late.

Benito Curiel has an exceptional ROI (+9%) with this horse. Jock and trainer haven't had much recent good fortune together. This gelding is in superb condition right now - finished well.

Finished in the second half of the pack last time - not a great endorsement. This animal's trainer hasn't been winning often lately. Hard to play this gelding today - rider's win percent as of late has been lackluster.

Wager on this angle - coming back off a nice outing within the last month or so. Luna Erick Mayorga De and Mario Portillo just haven't been clicking together recently. Just not worth betting - conditioner not winning many races over the last month.

Finished in the second half of the pack last time - not a great endorsement. Have to be leery with mounts trained by Mary Boyle right now - on a chilly streak. Trainer Mary Boyle has not had much success with this gelding (14 starts, 7% wins).

Can't win big without betting price horses - worth a shot with such a good power rating. Don't really like the recent undertaking - in the back of the pack. This runner hasn't won in his last ten attempts - he's probably not worth the value today.

With Oscar Cervantes atop this equine, may have to let go of this gelding. Have to be leery with animals trained by Juan Manuel Hernandez right now - on a losing streak. Don't see him as a sure thing after that last event.

With Oscar Cervantes atop this equine, may have to let go of this gelding. Have to be leery with animals trained by Juan Manuel Hernandez right now - on a losing streak. Don't see him as a sure thing after that last event.

🐾This rider/handler combo is cold right now - not a high win percent together. 🐾This mare is in superb physical condition right now - ended up well. 🐾This mare is back soon - sprint horses that come back quickly are generally good plays.
