Was steady last race. Last race was good, but the lack of any recent activity raises some concerns. Tough to bet on a campaigner that loses so frequently.

Tough to play this animal with this trainer's lack of recent good fortune. He doesn't have the winning make-up, tough for him to find it today. This was a live one, but now this one hasn't been doing anything in the morning.

Manuel Vlaun has this gelding entered in the right race. Don't really like the most recent attempt - in the back of the pack. Can't make a habit of betting on horses that rarely win.

Good power rating - morning line odds underestimate this gelding's chances - strong price potential. Tough to bet on a campaigner that loses so frequently. Michelle Winters does not have the best figs in this group of contenders with starters moving down the class ladder (38 starts, 5% wins, -63% ROI).

He doesn't have the winning demeanor, tough for him to get it today. Jockey/Horse combination hasn't shown much (7 starts, 0% wins, -100% ROI). Nice return on investment for this jock and handler pair.

This gelding faltered down the homestretch - not a good omen. Handler hasn't had the greatest win percent as of late - have to skip. This less than stellar equine didn't finish near the top of the field last time out.

This gelding should give a good showing of himself in today's affair. The stretch performance in the last race leaves much unanswered. Robert C Cline has not gotten the best out of this gelding (6 starts, 0% wins).

The jock and conditioner duo have a beneficial return on investment when they combine forces. German Terraza could put some cash in your pocket with this horse and his power rating. This gelding's jockey hasn't been getting a whole lot of wins recently.

Trainer has not produced the best results in this group of the horses in this race with horses moving up in class (29 starts, 7% wins, -62% ROI). Have to be leery with horses trained by Rey Juarez-Mendoza right now - on a bit of a cold streak. Didn't exhibit much courage during the stretch drive last time - be cautious with him.

Just not worth betting - trainer not winning many races within the recent past. This fine animal ran a nice one last race. Jock doesn't have the best winning percentage recently.

The expected odds make this one an inviting wager with such a strong power rating. This entrant hasn't had even a blow out after running so well last time out. This jockey/handler duo has been producing a very profitable ROI.

Can't belittle the in the money finish in the last race. Has a high power rating and should go off at playable odds - take a stab. Nice race last time, but the fact that there are no workouts since has to make one leery.

Hard to play any horse that cannot even prove victorious one time in her last ten races. Tough to figure this animal winning after finishing in the back of the pack last time. Have to be worried that this horse added front wraps last time out.

Didn't exhibit much intestinal fortitude during the stretch drive last time - be cautious with her. Finished in the back last time - not a terrific sign. This mare runs very well under Robert M Gorham's training.

With the impressive Jockey/Horse combo (16 starts, 31% wins) players should feel comfortable with this choice. Bettors beware of this trainer when dropping horses in class (39 starts, 21% wins). Don't see her as a sure thing after that last race.

⚠️Difficult to figure this horse winning after finishing in the back last time. ⚠️The stretch display in the last event leaves much to be desired. ⚠️Gary L Johnson hasn't been getting wins when putting Deshawn L Parker on a horse.

Didn't finish near the top of the field last event - might have to expect the same. Richard Zielinski isn't on a hot streak as of late. Could be tough to wager on after that last stretch performance.

The knowledge gained from his initial outing should prove valuable in today's race. ⚠️Don't display much courage during the stretch drive last time - be cautious with him. ⚠️In the money last time out.

May have to pass on this animal - conditioner hasn't had the best of luck these days. ⚠️This horse really isn't bred to win first time out.
