Didn't show much courage during the stretch run last time - be cautious with him. Trainer hasn't had the top winning percent lately - have to take a pass. Hard to figure this horse winning after finishing near the rear last time.

This filly has not run well under Martinez E Soto- 's training (0% wins). This jockey/trainer combo is cold right now - not a high winning percent together. Hasn't scored a victory recently - not worth it on this animal today.

🐾An able horse that's been running well, but she's been off the track in the mornings of late. 🐾Hard to play this filly today - rider's winning percentage recently has been lackluster. 🐾This jock/trainer pair has a strong return on investment together.

With Gomocio S Yancapallo riding this animal, may have to pass on this mare. Conditioner has had a tough time winning races lately. Finished out of the top half of the field last out.

Easy victory last time around. Recent claims out of this trainer's barn have produced some of the top gains for horses these days claimed in this group of horses.

Tough to play this equine with this handler's lack of recent good luck. Lately, this jock and trainer haven't been winning when they join forces. Could be tough to invest in after that last stretch performance.

Tough to play this one after the disappointing stretch drive in the last event. Didn't finish near the top of the field last affair - might have to expect the same result. Hard to play this filly today - jock's winning percentage recently has been lackluster.

Keep this mare in your exotics as Dee Curry has been very successful with this horse (14 starts, 21% wins). Strong return on investment for this jock and conditioner twosome. Has a good shot to keep the winning skin alive this time around.

Won by a large margin last out. Last race was nice, but the lack of any recent activity raises some concerns. When Julio Correa and Joann Bertone team up - the return on investment has been terrific.

Make a play on this one with one of the best power ratings - probable odds will be right. May have to let go of this horse - handler hasn't had the best of luck these days. Looked like he was in good form last outing - hasn't been near the track since then though.

The attractive odds make this animal a nice play with such a strong power rating. This gelding faded in the stretch - not a positive sign. This pony didn't finish in the top half of the field in the last race.

⚡This jockey/handler pair has a lucrative return on investment. ⚡Could be right there at the finish based on very good results of the trainer (61 starts, 30% wins) with recent claims. ⚡Have to love that most recent contest where she finished strong.

⚡ Definitely a value bet with such a good power rating - could payoff big. ⚡ Didn't finish in the top half of the field last race - might have to expect the same result. ⚡ Could be tough to bet on after that last stretch effort.

🐾Falters down the homestretch last out - may do the same thing. 🐾Finished in the second half of the pack last time - not a great endorsement. 🐾Richard Vega's ROI with this horse (+67%) automatically make them a beneficial contender.

Hasn't scored a victory recently - not worth it on this horse today. Strong return on investment for this rider and trainer tandem. Tread lightly - stretch effort just wasn't nearly good enough last race.

This horse didn't finish near the top of the field last time out. Hard to gamble on these non-winning types on the win end. The combination of Dexter Haddock and Stephen Hamilton isn't on track recently.
